

## Through Means

1.  Communication
2.  To the end, Completing
3.  Examining
4.  Become Law

## Through-COMMUNICATION

- come through     Gabriel was at his computer when the message came through.
- filter through     It seems the news didn't filter through to everyone involved.
- get through     I kept trying to phone home, but I couldn't get through.
- put through     Sorry, I wanted the Sales Department. I must have been put through to the wrong extension.

## Through-TO THE END; COMPLETING

- be through     I told him we were through and packed my things and left.
- blunder through     I was blundering through the exam.
- break through     The petition has now broken through the 1000 barrier.
- breeze through     He breezed through the test.
- burn through     We have already burned through what little savings we had.
- carry through     His determination carried him through.

coast through	We lost because we thought we could coast through.
come through	Come through to my office.
crash through	I'm about to crash through to the next level!
follow through	The international community made many promises, but never followed through.
get through	I went for a lovely Indonesian meal last night. There were fifteen courses. We only managed to get through ten.
glide through	If you do just these simple things, you will glide through security without a problem.
go through	It's difficult to gain access to the area without going through tight identity and security checks.
grind through	I was just grinding through the day in a stuffy office.
live through	She has lived through two world wars and a revolution.
Muddle-through	Too often we muddle through life without any clear focus or direction.
Pass-through	The cost will be passed through to the final consumer.
play through	He played through the pain against Liverpool.
plough through	I had to plough through documents.
power through	I did power through the book despite not enjoying most of it.
pull through	I'm happy to hear your sister was able to pull through her illness.
put through	Sorry, I wanted the Sales Department. I must have been put through to the wrong extension.
race through	I raced through the book in a couple of days.
rattle through	I admired the way she would rattle through her work.
romp through	She romped through the test.
run through	Could we run through your proposals once again?
scrape through	He scraped through the examination
see through	I'm sad that I won't be able to see the project through.
sit through	His lectures are long and boring. I refuse to sit through any more of them.
sleep through	He's a very heavy sleeper. If a fire alarm started ringing, I'm sure he would sleep through it.
slog through	I'm tired of slogging through lists of helpful suggestions that don't help.

sneak through	Japan sneaked through to the World Cup last 16.
think through	Take a minute to think this through before you do it.
waltz through	We just waltzed through customs.
win through	Congratulations to those who won through in the group stages of the competition.
work through	A counselor will help you work through your issues.

## Through -EXAMINING

comb through	Lightly comb through to the ends.
flick through	He flicked through the channels but found nothing that interested him.
flip through	He flipped through the files in the cabinets.
glance through	I glanced through the paper very quickly.
go through	The police went through my bags at customs.
leaf through	She was just leafing through the pages.
look through	I've looked through the pics but can't find a good one.
pick through	They picked through the remains.
pore through	They hadn't actually bothered to pore through the details.
Read-through	Read through the contract to ensure that there are no errors.
rifle through	She rifled through the papers until she found the one she needed.
sift through	The investigators sifted through the rubble in search of forensic evidence.
skim through	I skimmed through the manual but didn't see it.
talk through	It might not be a bad idea to talk things through anyway.
thumb through	She thumbed through the magazine until she found it.
trawl through	You need to trawl through a lot of data.
wade through	The researchers waded through the results of the survey.
walk through	Why don't you walk us through the numbers?

## THROUGH-BECOME LAW

force through	I forced my little brother through the door.
go through	The bill went through a number of amendments.
nod through	The law was nodded through with 144 votes in favor and one against.
Pass-through	They're confident their police reform bill can pass through Congress.
push through	They don't have enough support to push through the new forms.
ram through	The government tried to ram the vote through the House.
rush through	You must not rush through the book.
sail through	The bill sailed through without any opposition.
scrape through	The bill scraped through by only nine votes.
steamroll through	The deal was steamrolled through by the majority.
vote through	The proposals were voted through yesterday.
